### praying for others

- **Rev Tang & Rev Vogel as they minister at ACPC** – for wisdom & God's guidance in leading our ministries. Particular travelling mercies for Rev Tang as he travels to Hong Kong for his studies
- **ACPC congregations** – we pray that we can make a fresh commitment to pursue You today, excited to see the amazing things You will do in our lives. We pray for guidance as we look to our future in the city
- **For our neighbours in the city** – that we take the opportunities to show Your kindness, love, mercy, grace and hope to our neighbours.
- **For those who are working in mission** – that God's guidance and wisdom be with them as they carry out his work.

**Fan the flames of faith  
in to fire**

## Don't Get Weary While You Wait!

From the book *Wake Up to the Word Devotional* - by Joyce Meyer

*"Let us not grow weary or become discouraged in doing good, for at the proper time we will reap, if we do not give in."*  
Galatians 6:9

The proper time for things is God's time, not ours. We are usually in a hurry, but God never is. We are often impatient and ready for everything to happen right now, but God, in His wisdom, prepares us first for what He wants to do in our lives, and preparation takes time.

God takes time to do things right—He lays a solid foundation before He attempts to build a building. We are God's building under construction. He is the Master Builder, and He knows what He is doing.

God's timing seems to be His own little secret. The Bible promises that He will never be late, but I have also discovered that He is usually not early. The good thing to know is that He is always right on time, and His timing is perfect.

**Prayer Starter:** Father, thank You for the good work You're doing in my life. Help me to wait for Your promises with faith and patience and never give up on doing what's right. In Jesus' Name, Amen.

## Notices from Stuart...

- Stuart is always **keen for a coffee and muffin and chat**, so if you have a lunch break with nothing to do, let me know and I will join you.
- For those doing the **6 months Bible reading programme**, please feel affirmed and encouraged. I (Stuart) am using the Phillips translation for a change and am really enjoying it!
- A special thank you to the **home groups and servers who make the potlucks happen** so well. You are all very much appreciated.
- A theme we have been developing is for people to participate in the **communion services** by playing music for the prelude or after the Bible reading. A big thank you to those who have led us in worship in this way. If others would like to do so in any way, let Stuart know. This is not a performance; it is helping us focus on worship and God's Word to us.
