AUCKLAND CHINESE PRESBYTERIAN CHURCH

105 Vincent Street, Auckland City
28 October 2019

praying for others

- **Rev Tang & Rev Vogel as they minister at ACPC** – for wisdom & God's guidance in leading our ministries.
- **ACPC congregations** – we pray that we can make a fresh commitment to pursue You today, excited to see the amazing things You will do in our lives. We pray for guidance and discernment as we look to our future in the city. We wait expectantly for Your plans for a new minister for the EM.
- **For our neighbours in the city** – that we take the opportunities to show Your kindness, love, mercy, grace and hope to our neighbourhood.
- **For those who are unwell** - that God's healing hand may be upon them and that they may be comforted during this period.

The Making of a Kingdom Labourer: Timothy

Graeme Sterne

Philippians 2:19-23

A very warm welcome to everyone,
especially visitors,
to the service today!
Please join us for morning tea
afterwards.

Reaching out each week @ acpc

Tea and Talk - games, tea and English

conversation:

Thursdays 10.30am-12pm

Tea and Talk has now got some plants in the backyard and at Griffiths Gardens on Wellesley St. This has brought about a lot of good conversation and contacts

Table tennis:

Sundays 3 - 5pm weekly

A good way to develop your table tennis skills in a friendly, stress-free atmosphere.

Potluck Dinner and Games tonight at 6pm

We have a full-on games night after dinner tonight with the introduction of a few games from around the world followed by favourite card and board games. Come and join in the fellowship with our neighbours from the community.

Special Speaker next Sunday 4th November

Mr Andrew Cox, who has expressed interest in our EM vacancy, will be preaching next Sunday. We have arranged a CM/EM lunch with Andrew and Rachael at the Golden Century Restaurant for 12.30pm: \$10pp, preschool and primary school children free. Please put your name on the lunch booking form this morning with payment to Jean Wong. We need to know early so we can book the tables. We look forward to as many people as possible attending the service and lunch.

Guess who is coming to lunch!

Guess Who's Coming to Lunch will be on Sunday 11th November! If you would like to host a lunch or go to lunch after church, please let Glenda know. It's a great way to get to know people in your congregation much better

Church camp

Church Camp 2019 will be from Friday 1st to Sunday 3rd March. We are heading to the charming Mangawhai Heads. Make sure to put this weekend in your calendar so you don't miss out!

Your pattern sins 6

<https://www.rhema.co.nz/the-word-for-today>

'I have thought about my life, and I have directed my feet back to your written instructions.' Psalm 119:59 GWT

Thinkers: Thinkers like to know - everything. They're the investigators, scientists and inventors among us. They love to discover truths no one else has uncovered, and master bodies of knowledge, skills and hobbies on their own. They have amazing memories when it comes to retaining information about things they're interested in. On the minus side, thinkers can be introverted; they enjoy having their own space.

So what's the sin that can 'so easily trip up' a thinker? (a) Insensitivity to others. Sometimes thinkers love being right more than they love the people around them. And they're not always comfortable expressing emotion or affection. They're inclined to express their feelings indirectly or through gestures, so it can feel like they're takers and not givers. They don't like to lose arguments, and they don't like to be interrupted. They enjoy solitude for hours on end - even days. That doesn't mean they're more spiritual than the rest of us; it just means they have a lower need for community and connection. The problem is we weren't created to fly solo. You can only grow spiritually as you give to others and are willing to receive from them. Jesus said, 'By this all men will know that you are my disciples, if you love one another' (John 13:35 NIV). (b) Thinkers often struggle with the concept of 'faith'. That doesn't make them bad people; most are honest doubters. Faith and reason aren't necessarily opposed, but when reason won't take you another step, faith in God enables you to keep going. Life will hand you situations that reason alone can't resolve - that's when you need faith in God.
